## Heavy petal

Interiors | Floral-themed

accessories to refresh and delight.

Selected by Roddy Clarke

▲ N°4 bed set with headboard by Savoïr from £17950. In a collaboration with The National Gallery, this fabric portrays a detail from the artwork "Ophelia Among the Flowers" by Odilon Redon (1840-1916). [savoirdbeds.com](http://savoirdbeds.com)

▲ Flower cushion by Uchronia €1000. Using Dedar fabrics, this is available in a variety of colours and trimmings. [uchronia.fr](http://uchronia.fr)

► Susie Q linen by Mind The Gap €119 per metre. This print is part of the Woodstock collection, which celebrates the counterculture era of the late 1960s. [mindthegap.com](http://mindthegap.com)

▲ Furstenberg bench by Fromental x Rinck €12,600. This piece was launched at Paris Déco Off in March. [galerie-rinck.fr](http://galerie-rinck.fr)

▼ Eggcellent egg plate by Vaisselle for Liberty £55. This exclusive design is hand-painted in Andalucia. [libertylondon.com](http://libertylondon.com)

► Le Marché aux Fleurs linen tablecloth by Summerill & Bishop from £295. The design is inspired by flower markets in the south of France. [summerillandbishop.com](http://summerillandbishop.com)
